The Nambucca Community and Arts Centre will hold their AGM on Friday, February 23, 2024 at 3 pm in the Main Hall.

The Community and Arts Centre is integrated into the newly renovated Arts and Cultural Centre comprising the Library, Courtyard, Small Hall, and Main Hall.

The committee is a Nambucca Valley Council Section 355 Committee of Management being responsible for the maintenance of the buildings and providing funding for this via the hire of the halls for various activities. These activities include musical and other stage performances where lighting and sound are required.

The Committee is seeking a volunteer who has technical knowledge of lighting and sound systems to join their committee. The duties involved would not be onerous and notice of upcoming events would be provided in good time where possible.
